

A NEW WAY TO EXPERIENCE THE NEW WORLD

NORTH AMERICA

Delightful Wildlife

Working their way up and down the East Coast, our first North American cruises depart from New York or Quebec City to explore Canada and New England.

Follow in the footsteps of the early European settlers as you journey past a dramatic coastline into immense natural harbours and visit charming towns steeped in the history of the colonial period. And there's even the option to continue south to Florida, the Sunshine State.

New England

SHORE EXCURSIONS

See page 90 for a list of Shore Excursion ports. For full excursion details and prices visit www.msccruises.com.au

All excursions may be purchased through our office or your travel agent when booking your cruise, on our website or directly onboard ship. The excursions will be confirmed onboard if the minimum number of participants has been reached. The price includes transport, visits to sites and/or museums, meals and drinks (if part of the programme).
